

Installing apps on a CCPS iPad from the App Portal

Please follow the steps below install an app on an CCPS iPad.

1. Find and open App Portal on the iPad.

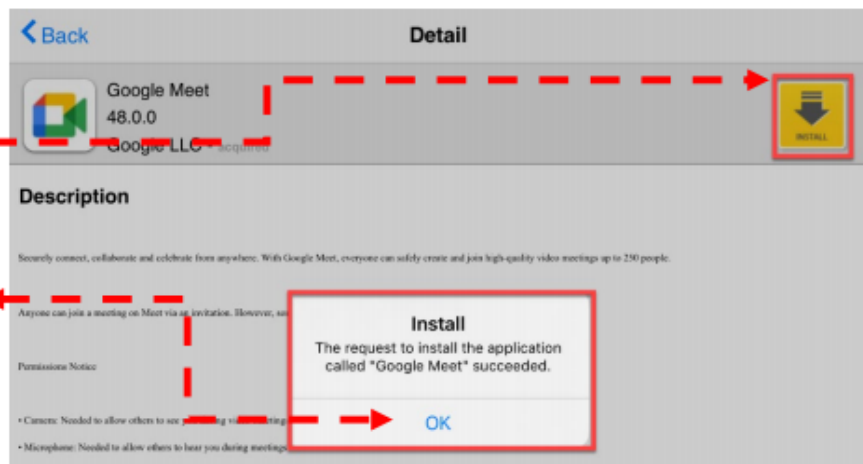

2. Either use the search bar or scroll to find the app you want to install. In this example, we are installing Google Meet.

3. On the App Details screen, click the Install button in the top right.

4. A pop-up should appear stating that the request to install succeeded. Click OK.

5. Return to the Home Screen and after a moment (this will depend on your internet connection), the app should begin to install. Wait for the app to fully install before opening.
