SchoolLinks Overview

Dear 9th through 12th grade Families,

We are very excited to introduce our Campbell County Public Schools college and career readiness platform, Schoolinks! All of the SchoolLinks features are designed with students in mind to help them become career, college, and life ready. As a guardian, you will have the opportunity to join your student in their career and college exploration process and have conversations with them about their future. You will have access to SchoolLinks through your own account.

SchoolLinks allows you to:

- View the results of your student's career interest, strength, and mindset assessments to learn more about their interests and what careers might be right for them.
- See what colleges and careers your student has favorited and set as goals.
- Check your personalized dashboard for upcoming events as well as important reminders and to-dos for your student.
- Complete your own research on colleges, careers, and more to help you have informed conversations with your student.
- Compare college costs and explore expected financial aid, scholarships, and out of pocket expenses.

SchoolLinks is a tool that gives you access to the bigger picture of your students' future. It also allows you to connect with their school counselor by allowing you to message them directly through the platform.

Please see the instructions below for details on how to access you guardian account.
